- All dogs will take turns at jumping in each round.
- At the end of each round the height will be increased.
- All dogs that made the previous height will then jump again.
- Each dog is allowed 3 attempts at each height and shall be disqualified if unsuccessful on the third attempt.
- In the event of 2 dogs jumping the same height, the winner will be the dog that took the least attempts of the winning jump.
- Judges decision is final.
- The handler can encourage the dog over by vocal or visual command but not by pushing or pulling the dog over.
